**PVJA**

- PVJA Work BEE Sunday March 27 starting at 9 a.m. All hands are needed to get PVJA ready for Open House, an interim evaluation and Spring! Bring your cleaning supplies, a willing attitude and we will provide the work and the lunch! There are jobs from big to small and all hands are appreciated!
- Thank you to all who have been purchasing Morning glory seeds! We still have some available and we are well on our way to purchasing a companion ferret.
- Spring planting is coming! PVJA is growing a wide variety of veggies, flowers and herbs for your spring garden. These seedlings will be ready in April and all proceeds will benefit the school. Plan to get your garden needs from us and grow some great plants this year!
- Science Fair and Open House are Sunday, April 3, 1-3 p.m. The students' science projects will be judged and on display. This is a great time to invite potential students to come and tour the school.
